# Alaska Summer Solstice Flyball Tournaments!

*Come see the world's fastest growing dog sport...*

**Admission is FREE!**

## ***What is flyball?***

Flyball is a fast-paced and exciting sport with teams of four dogs that compete in relay races. Each dog jumps over four hurdles, triggers a spring-loaded box, catches a ball, and returns over the hurdles.

## ***Who is participating in the tournament?***

The competition will include many of our own Alaska-trained dogs representing a wide variety of breeds and mixes, such as a Lhasa Apso (ranked #2 among the breed in North America), a Siberian Husky (ranked #9), an American Pit Bull Terrier (ranked #11), a 100-pound St. Bernard/Lab, and a 14-pound Poodle mix. Other competitive out-of-state teams will also be participating, coming from as far away as Edmonton, San Diego, and Las Vegas.
