

# Howlin' Halloween Flyball Tournament

October 30, 2004

All Dogs Gym & Inn relocated over a year ago to a new building. The new arena is spacious with a new type of interlocking flooring. Because of its vulnerability there are a couple things we must insist on:

- **No** food or drink – other than bottled water – is allowed in the arena. Dog treats are ok.
- Wire crates **must** have mats under them. No wire crates allowed directly on the arena floor.

As always, please pick up after your dog no matter where they go. There are poop pick up supplies and trash cans at each door. Please use only the front doors to exit and enter the building.

The side doors on the arena will only be available for entry Friday evening and before the start of racing. Please bring equipment in through the front doors at other times. We have a number of small push carts that you can borrow to help you move equipment in and out of the gym.

## **Crating area:**

The playroom is open for crating. This is a large room off of the arena. You can get to it by going down the hallway past the kitchen and arena entrance. Turn right in the hallway and it is the first door on the left. You have to go through a small crate room before getting into the playroom. Food and drink are allowed in this room.

There should also be plenty of crating area inside the arena. Wire crates must have mats under them. The no food/drink rules apply there.

There will also be crating in the classroom. Food and drink are also allowed in this room.

**Food Vendor: Cocker Spaniel Rescue!**

## Schedule

Friday

- 7:00pm – 9:00pm – Building open for team set up

Saturday
