Thank you all for choosing to enter our tournament! We are excited to have this opportunity to offer a Flyball Tournament at a fun venue with so many pet enthusiasts attending. They are expecting huge crowds and we think you will all be great ambassadors to this sport we and our dogs love so much.

We are asking teams to do their best and dress in their team's attire and be willing to help out with questions from the audience and the Flyball booth at the Expo. We will have a PA system, and welcome anyone who wishes to talk about Flyball to join in the fun with the audience. If you have any literature, bring it along and put it in the booth. This is a fantastic opportunity if you are looking to grow your team.

Directives: For Driving Directions go to [www.twincitiespetexpo.com](http://www.twincitiespetexpo.com)

Enter off East 16<sup>th</sup> Street. You will be stopped at the CC Guard Shack – tell the attendant you are with the All Ruffed Up Flyball tournament. You will be directed to the tunnel for unloading purposes only. You will need to check in at the Kiosk and pick up your admission wristband. It is important to have this for reentrance through the main doors after you park. You will only get one for the weekend, so don't take it off!

There are a couple of parking ramps, and the main Convention Center Parking Ramp has tunnel access.

We believe our staging area will be tight and we have asked for a curtained area to help keep dogs from seeing the racing lanes. You will be able to leave your things Saturday night. If your dog is vocal you may want to cover their kennel. The sound is amplified and we hope to do our best to accommodate our pets and their comfort.
